info@arleyestate.co.uk or visit:

arleyarboretum.co.uk

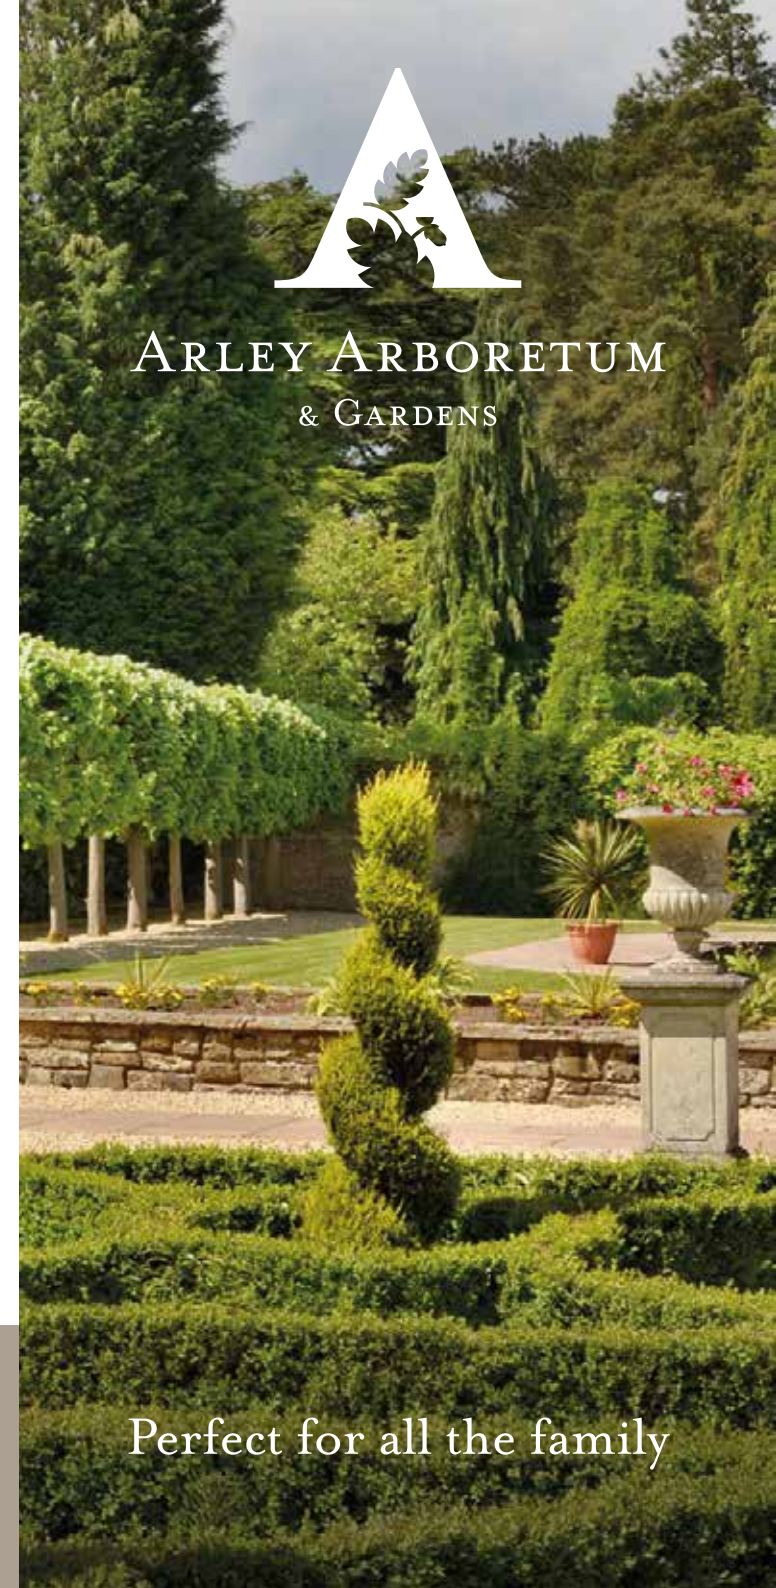

"Arley is one of the oldest arboretums in Britain. Among its 300 species of trees is an old tower covered in creepers, which turn magnificent colours of red, yellow, orange and pink.

There are few displays more stunning than Acers (Japanese maples) in autumn, and Arley boasts a fine collection. They make beautiful focal points in the arboretum's autumn display."

BBC Countryfile
Magazine, August 2017

ARLEY ARBORETUM
& GARDENS

Perfect for all the family

Beautiful Arley Arboretum

Renowned for its stunning beauty, Arley Arboretum sits within the Arley Estate.

During your visit to us there are some wonderful things to see and do, including:

- Over 300 species of trees dating back over 350 years
- Britain's longest Laburnum arch (65m), under planted with bluebells
- One of the finest collections of Magnolias & Acers in Britain
- The magnificent Italian Garden, fountains and peacocks
- Acres of breathtaking walks and views (dogs welcome on a lead)

The Roger & Douglas Turner Charitable Trust (CIO). Registered Charity Number: 1154467.

Fun things for families at Arley

Arley Kids Quests, Scavenger Hunts & Trails

Hunt for the clues as you journey through the Arboretum! Trail booklets available to buy at the entrance.

Maze

With beautiful views from the castle in the middle! (30 minutes to complete).

Delmar Adventure Play Trail

A 40m trail linking 9 separate apparatus. With slide, tower, dragonfly seesaw, outdoor gym and more it's a great opportunity to test your balance and bravery as you climb and jump! (Suitable for 2 to 12 year olds).

Fabulous Events for all Ages

For an up to date list of our latest events, visit our website or follow us on Facebook.

Events include:

- The Great Easter Eggstravaganza!
- Unicorn Pony Rides
- Return to The Fairy Ball (Scavenger Hunt & Trail)
- Trick or Treat Extravaganza (Halloween)
- Santa's Cottage (Christmas)
- Plant Fairs
- Seasonal Afternoon Tea Dates

Key to Our Historic Trees

- 63 Norway Spruce (*Picea abies*). Possibly one of the tallest Christmas trees in the UK.
- 74 Whitty Pear (*Sorbus domestic*, True service). Indigenous to the Wyre Forest area.
- 78 Maidenhair Tree (*Ginkgo biloba*). Planted around 1820 (One of our oldest trees)
- 81 Common Lime (*Tilia x europaea*). Measured at 25.69m tall in 2008. It may contain rabbits at play in the 'petticoat' epicormic growth at the bottom.
- 87 Black Walnut (*Juglans nigra*). Planted in 1877 by Sir Joseph Hooker on birth of Robert Woodward.
- 97 Common Beech (*Fagus sylvatica*). You might initially think this is lots of trees, but it's all one! It covers ¼ acre. Planted around 1820.
- 138 Monkey Puzzle Tree (*Araucaria araucana*). Measured at 22.12m in 2007.
- 162 Crimean Pine (*Pinus laricio var. pallasiana*). Measured at 30m+ in 2007. Vertical branches give its 'organ pipes' nickname.
- 176 Lucombe Oak (*Quercus x hispanica* "Luconbeana"). Semi-Evergreen.
- 206 Swamp Cypress (*Taxodium distichum*). One of the later additions, planted in 1960.
- 229 Giant Redwood - Wellingtonia (*Sequoiadendron giganteum*). Planted 1860, it was 38.7m in 2007.
- 262 3 Corsican Pines (*Pinus nigra laricio*). Measured at 35.95m in 2007. It is really rare for 3 trees to thrive so close together!
- 338 Dove or Handkerchief Tree (*Davidia involucrata var. vilmoriniana*). They produce white bracts, in early summer that look like a hanky.
- 339 Cucumber Tree (*Magnolia acuminata* "Koban Dori"). The seed heads look like a cucumber.
